

## **EMERGENCY MEDICAL SERVICES AND EVACUATION**

[CT, FP – NR&D, FP – R&D, CIS, LH/T&M, T&MC, FPC, CREI, A – E, REL – 09/04] [NFS 1852.242-78 – 04/01]

The Subcontractor shall, at its own expense, be responsible for making all arrangements for emergency medical services and evacuation, if required, for its employees while performing work under this Subcontract outside the United States or in remote locations in the United States. If necessary to deal with certain emergencies, the Subcontractor may request JPL to provide medical or evacuation services. If JPL provides such services, the Subcontractor shall reimburse JPL for the costs incurred.
